## LASER GENESIS

*helps restore your skin's youthful glow and appearance. With no downtime, Laser Genesis works by stimulating cellular turnover and collagen production which helps to improve fine lines, facial redness, pigmentation, mild acne and scarring. It uses true, premium laser sources and is suitable for all skin types.*

**Single \$300 | pre pay 3 \$275 | pre pay 6 \$250**

---

## LASER TONING - MELASMA TREATMENT

*has been designed to specifically help reduce patches of darker pigmentation on the face. They can be a result of sun exposure, genetic disposition or hormonal changes. It's a gradual process which helps to break up the dark patches and uneven skin tone. It also improves pores and fine lines.*

**Single \$300 | Pre Pay 3 \$275 | Pre Pay 6 \$250**

---
